

Serial No. 07/832,335

means responsive to the segment information for selecting video segments from within the video program; and

means for playing the selected video segments as a seamless version of, and from within, the video program, the playing comprising a video buffering for seamlessly skipping over a retrieval of non-selected video segments included within the video program.

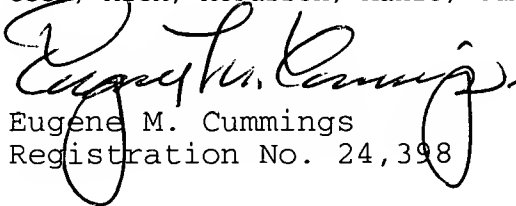

REMARKS

Claims 97 and 100 have been amended to correct certain typographical and grammatical errors encountered in reviewing the previously submitted amendment.

With this amendment all grounds for rejection are believed to be resolved, and it is believed that this application is now in condition for allowance, which action is respectfully solicited.

Respectfully submitted,

Cook, Alex, McFarron, Manzo, Cummings & Mehler
